Community Center
- 17,18 Community Garage Sales
8am-5pm
- 28 Fish & Lake Mtg. 7pm Lodge

For your information: At the April CLA Board of Directors meeting they approved an upgrade to the gate and kiosk system. We will be transitioning from the current gate cards to an RFID sticker system. This RFID sticker will be placed on the vehicle windshield and will work like an easy pass used on toll roads. The transition will take time and we will keep the members updated. **Please make sure to watch for letters and information regarding the switch over.** When the system goes live, the kiosk will no longer call the member when a guest arrives. Members will have a separate code and will be responsible for providing their guest, in advance, a code for entering. At a minimum this will alleviate the problems that inconsistent cell phone service has caused. The back gate will become what the Declaration has directed, a members only gate. The RFID stickers will open the back gate entrance and exit side gates. Delivery trucks, contractors and guests will have to exit through the front gate only, helping us better track who is in here. Information will be sent to members as we get closer to implementation.

Mother's Day May 12th: There will be no Coffee and Conversation this month, since Mother's Day falls on the scheduled day.

Did you know: Cinnamon Lake recycles steel and aluminum. If you have large aluminum or steel objects that you want to get rid of, contact the office. The dumpster is available during office hours. When we have a full load, it goes to the recycling center and the money we get back goes into our general operating budget. Please do not leave large metal objects, like old grills or washer & dryers by the aluminum can recycling, and DO NOT put it in or around the trash compactor. Bring them in and let's recycle. Also, please recycle your cardboard, DO NOT put it in the compactor. The recycling bins are located by the sewer lab across from the campground on Cinnamon Dr. The more we all recycle the less the trash costs us.

Garden and Landscape: The Garden and Landscape Committee is upgrading the Lodge Playground Walkway this summer. It will be leveled, with a concrete base and new landscaping. We are offering residents the opportunity to have their names engraved on the bricks for \$50 each. The proceeds will help offset the cost of the upgrade. The sale starts in June. Look for more information to come. Thanks to all who adopted the Stop Sign Planter Boxes in the past! Now is the time to get them cleaned up again! If you see a box that looks like its neglected, and you would like to adopt it, contact one of us on the Committee for more info, or see the post on Next Door.

Events Committee: Looking to kicking off an event-full May. Meg Marie Smith and Amanda Dudte are back by popular demand to lead Yoga and Potluck Bingo promoting good health and laughter throughout the month. Part Two, and the conclusion of the Golf Cart Clinic will be held on the 11th at the Lodge. For details on these events, and more, check the CLA website or email events@cinnamon-lake.com. Better yet, come to a meeting! We meet on the first Wednesday of each month in the Community Center.

From Neighborhood Watch: REPORT ALL SUSPICIOUS ACTIVITY TO THE SHERIFF'S OFFICE (419-289-3911) or call 911 for emergencies. *See Something - Say Something!*
