Environmental Committee: The committee will be going around checking for home storage of trailers/boats cars etc. Please make sure you are in compliance with the home storage policy and vehicle parking in the Declarations. As always, do not start any outside projects before you get Environmental approval. Have a happy, safe summer!

Reminders: The trash compactor is for HOUSE HOLD TRASH ONLY. Do not put in any large items, etc. The open top dumpster behind the office is for those items. We have video of many members mis using the compactor. We do not want to send letters and fines so please use the compactor correctly.

Don't forget that if you have a golf cart, 4 wheeler, dirt or mini bike, or any other type of OMV, they must be registered. You need to have the registration sticker and your 4 digit address numbers clearly displayed. Thank you to all that have registered!

Boats: There have been quite a few boats being transferred to members within the community. Please remember to contact the office if you do this. Also the CLA tracking number stays with that boat, please do not take it off. Please make sure that you have all proper tracking numbers and yearly stickers clearly displayed on both sides of all watercraft. We will be starting to do the inventory of all watercraft soon.

In Memory: A long-time volunteer **Dave Vidovich** passed away. Dave was active with the Veterans' group and the Long Range Planning Committee. A retired civil engineer, Dave was the driving force behind the design of the walkway from the dam to the lake drain access structure. The Maintenance crew now can safely walk, especially in winter, to open or close the lake drain. Dave was also instrumental in assessing the front gate and developing a plan to make structural changes, extending the life of the front gate. He also guided the rehabilitation of Pavilion One, drawing up the plans and overseeing the work. Dave gave a lot and asked nothing in return.

New CLA Board of Directors: For the 2024-2025 year— President-Dave Baker, Vice President-Chris Basista, Treasurer-Eric Hamman, Secretary-Donna Van Trees, Board Member-John Baxter, Board Member-Victor Dubina, Board Member-Mark Romaniuk. Congratulations! The CLA board meetings are the 2nd Monday each month starting at 6:30pm held in the Community Center Nov. thru April and at the Lodge May thru Oct.

Heads up: In the July Cinnamon Lake mailing you will find a short survey asking for your input on the back exit gate. Please complete it and return by July 31, 2024.

For your information: On June 10 the Cinnamon Lake Association was sued in Ashland County Common Pleas Court by a member, Mr. Gary Bowling, regarding the 2022 road assessment. The civil lawsuit can be found on the court's website, under "Case Search," as CASE NO. 24-CIV-O96. Cinnamon Lake Association's attorneys are aware and preparing a defense.

From Neighborhood Watch: REPORT ALL SUSPICIOUS ACTIVITY TO THE SHERIFF'S OFFICE (419-289-3911) or call 911 for emergencies. *See Something - Say Something!*

Friendly Reminders: With the Holiday coming up, please remember that no one is permitted to let off any explosives of any kind within the boundaries of Cinnamon Lake, per the Declarations of Covenants, Conditions and Restrictions. Let's all have a safe and happy Holiday!

There have been a few reports of members using profanity/lewd behavior at the beach and Lodge area. We are a community and should be respectful to each other. Please refrain from using profanity/lewd behavior. There are a lot of young members who want to enjoy the amenities and should not have to witness this type of behavior.
