Lodge
- 26 Adult Halloween Party 7-11pm  
Lodge

Where has the summer gone? It seems like only yesterday we were planning all the fun summer activities like the Beach Party and floating around the lake on a boat. The leaves are starting to change, the pool is closed and soon the boats will be coming out of the lake. We will be doing some needed maintenance and repairs to the pool. We will be removing the paint from the surface of the deck around the pool. Sarver was a bit delayed but was able to complete our scheduled road maintenance at the end of September. We will soon be planning the road maintenance schedule for 2025. The new trash compactor is ready to be delivered but we need to make some improvements to the concrete pad that holds the compactor before we do the install. We will have that design finalized in the next couple of weeks. Please remember that the compactor is only for general household waste. Large items and construction waste needs to be put in the open top dumpster behind the office. Cardboard and other recyclables should be taken to the recycle bins.

In October the office will begin the process to distribute the stickers for the new gate system. Please keep an eye open for notifications about the stickers. Once we have the stickers distributed Smart Digital will finish the install of the system.

The Events Committee is sponsoring the Golf Cart Doctor again at Cinnamon Lake on Saturday, October 5th and 19th. October means Halloween! Decorate your car, truck, or golf cart and meet in the lodge parking lot on Saturday, October 26th for Trunk and Treat! This event includes games and a scavenger hunt, too! Get the kiddos home and settled, then head back to the lodge for an adults only Halloween Party sponsored by the Recreation Committee. Potluck, music, and more. Calling all crafters! Stop by the office to sign up now for a space at the Holiday Craft Fair on Saturday, November 9th! \$25 reserves your spot. Come to Events' October planning meeting on the 2nd and Recreation's meeting on the 16th or e-mail [events@cinnamon-lake.com](mailto:events@cinnamon-lake.com) for questions on any Events or Recreation Committee activities.

Award Winners from the Carp Derby held by the Fish and Lake Committee. Cary Pagan got the most-10. Team Kelso had the largest at combined length and girth of 58.5 inches, estimated weight 24lbs. Kade Kelso won our Junior Angler prize, and was also the one on Team Kelso that caught the largest fish. Congratulations to the winners. The Oktoberfest is coming soon, Please encourage folks to drive carefully between 10-11:30am. The Fish/Lake Committee has put a reef in the lake.

The lowering of the lake will begin Nov. 1st, please make sure all boats are off the CLA docks by Oct. 15th. With the lake already low from lack of rain, be careful as you remove your boats. Thank you!

The office has mailed the Oct. Roads billings and new dumpster code. The Environmental Committee went around looking for unapproved signs. 30 letters were sent out, please remember no signage can be put up prior to approval. Please make sure to educate yourself with the sign policy as well as all other policies. Thank you!

Front gate winter hours will start Oct. 27th. Gate attendants will be there from 7am to 9pm. Please make sure you know your kiosk code and how to use it. Thank you!
